Dear Fellow Voter:

This is the “Supplemental” Voter Information Guide. It contains important information on measures that were placed on the ballot too late to be included in the regular Voter Information Guide. Please make sure you have both Guides.

This will be one of the most significant elections in many years and your vote could make the difference. We all know that many recent elections have been decided by just a handful of votes. Be sure to make your voice heard by voting on November 2<sup>nd</sup>.

One of the easiest ways to make certain your vote will be cast is to vote by mail. This year, you can also become a permanent Absentee Voter. By applying for a permanent absentee ballot you will be able to automatically vote by mail in every election. You can apply for an absentee ballot right now by visiting our website at [www.myvotecounts.org](http://www.myvotecounts.org) or by contacting your local elections officials. Don't delay. The last day to apply for an absentee ballot is October 26<sup>th</sup>, but to make sure you receive your ballot in time you should apply as soon as possible.

Remember, you're a Californian- your vote counts!
